

July 28, 2015

Dear Students and Families,

Please let me welcome you to the 2015-2016 school year! We want to give a thank you to all the teachers and staff who have worked so hard in getting ready for the new school year. We also want to say thank you to all of our families for the consistent support you give us. You all make such a huge difference in our ability to succeed at Valley.

Please note the following important information:

Incoming freshmen and their families are invited to the TVHS Freshmen Extravaganza. It will be held on Monday, August 3 from 5:30 to 7:30 PM. We will have food, information, tours, door prizes, etc. Please plan to attend this orientation. Important information will be given out about this upcoming school year. Freshmen will be able to pick up their schedules and check their lockers as well.

This is a reminder that all 12th graders are required to have a 2nd dose of meningitis vaccine by the first day of school. Please consult your doctor or the County Health Department (Fulton County 574-223-5152 or Kosciusko County Health 574- 267-7028) regarding your child's immunization needs. The health department can be used by children on Medicaid/Hoosier Healthwise and those without insurance or those under-insured (insurance that doesn't cover immunizations). Your doctor may give immunizations, so you should call there first. Parents need to furnish proof of the meningitis immunization to the school so the school record can be updated. -Debbie Potter, RN, TVHS Nurse

Registration for school should be done on-line. Students and parents will also be able to meet with counselors at TVHS on Wednesday July 28 and Thursday July 30 from noon-8 PM.

The first day of school for students is Monday, August 10, 2015.

I look forward to meeting all of you in the weeks ahead. Please do not hesitate to contact me, or any staff member, if we can be of service.

Si necesita ayuda, póngase en contacto con El Departamento de *Consejería Estudiantil* al número 574-353-7031 X2420 o con la *Oficina Administrativa* al 574-353-7031.

We are looking forward to a great school year!

¡Deseamos un gran año escolar para todos!

Sincerely Yours,

Dr. Michael Bendicsen
Principal, Tippecanoe Valley High School
