

The **Viking Success Period** will benefit students in a variety of ways. This 41 minute block of time built into the student day will allow students to be a part of:

- Remediation – students who need a boost in ECA’s and other standardized tests, as well as help in academic classes
- Mentoring – student-to-student pairing, tutoring, community, and career mentoring
- Enrichment – allowing students to develop into well-rounded citizens
- Future Stories – teachers and students will continually work on the student’s plan for their future as well as identifying the student’s strengths and areas for growth
- Scholarship Teams – a group of adults who are working to bring forth the best possible outcome for each student while they are at TVHS

Parents and students should feel free to email teachers or TVHS administration with any questions about this program.

TVHS Revised Schedule- 2015-2016

7 period schedule
