

MEMORANDUM OF UNDERSTANDING

The Tippecanoe Valley School Corporation (the "School Corporation") and the Tippecanoe Valley Classroom Teachers Association (hereinafter collectively referred to as the "Parties") are entering into this Memorandum of Understanding as part of the 2019-2020 Master Teachers Contract.

REASON FOR THE MEMORANDUM OF UNDERSTANDING

A. The unexpected COVID-19 pandemic that has occurred during the Spring semester of the 2019-2020 contract year has caused the School Corporation to alter the manner in which educational services must be delivered to students.

B. The School Corporation may have a need in response to the ongoing COVID-19 health crisis to implement certain eLearning initiatives for the upcoming 2020-2021 school year to meet the academic needs of students.

C. The eLearning initiatives that will be implemented by the School Corporation if necessary will require three days of professional development training for teachers.

D. The Parties desire to implement an ancillary duty wage for teachers who are assigned by the School Corporation to participate in the e-Learning professional development training.

Therefore, the Parties agree as follows:

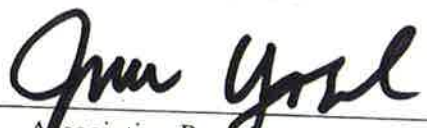

1. Members of the bargaining unit who are assigned by the School Corporation to attend the three days of professional development eLearning training will be paid a stipend of \$85.00 per day.

2. This Memorandum of Understanding will be part of the 2019-2020 master teacher contract and will remain in effect until the 2019-2020 master teacher contract expires and is replaced with a newly ratified master teacher contract for the 2020-2021 school year.
