

Remote Learning Option Fall 2020

Deadline to register: July 29

eLearning curriculum will be limited and cannot mirror the full curriculum or experience of in-person instruction. Students participating in remote learning will not be able to participate in extracurricular activities.

Elementary Parent Information

Who is this program designed for?

Students who have at-risk health conditions or have unique needs due to COVID-19.

What will the learning environment look like?

Students will attend school through several electronic methods including:

Primary Learning Platforms:

- Microsoft One Note/Microsoft Teams
- IXL
- IReady
- Curriculum Materials

**Other platforms as deemed necessary*

Periodic assessments will be administered remotely when available or in person in a small group environment with social distancing in place.

What are the engagement expectations?

Students are expected to work on lessons and assignments every day following the regular TVSC school calendar. Students are expected to virtually “attend” video classroom instruction sessions. Students who do not engage daily with the eLearning expectations will lose the option to remain virtual and be expected to return to in-person daily attendance at school.

Who will be teaching my student?

Remote learning will be delivered by TVSC staff. The number of teachers assigned to remote learning will be dependent on the number of students enrolled in eLearning vs. enrolled and attending in person.

What subjects will my student be able to take?

The focus of the distance learning curriculum will be language arts, reading, and math each day.

What technology will the school provide?

Tippecanoe Valley Schools has invested a considerable amount of money in making sure that each student grades K-5 will have a device. These devices are on back order and will be made available as soon as possible.

How long do we need to commit to the distance program?

Parents must commit to doing the distance education program for a nine week period.

How much work will my student have every day?

Students will receive instruction and practice for language arts, reading, and math each day. Assessments, projects, and readings may also be required.

Will my student be able to participate in extracurricular activities?

Students cannot participate in extracurricular school activities.

What other requirements do we need?

You must have a reliable phone number for communication and have reliable internet service.

Will my student need to go into the school for any reason?

During certain times of the year it may be necessary for in person assessments to occur. Students will need to take any state mandated assessments as well.
